

## Certificate of Hardware Conformance

---

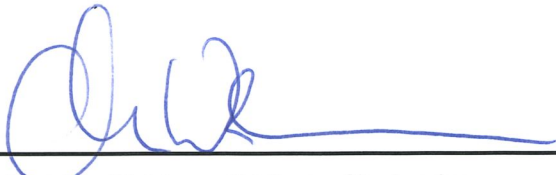

*Biacore™ T200 Processing Unit*

28975001

We assure that the hardware was developed, tested and design-validated according to the quality procedures by Cytiva Sweden AB. Development checkpoints were reviewed and approved by management. This product was found to meet the marketing and functional requirements.

To support this certificate, we will make the development documents available to customers, and authorized governmental or regulatory agency for inspection at Cytiva, Uppsala, Sweden

Cytiva, Uppsala, Sweden maintains the development documentation for this system on-site and will require a non-disclosure agreement to be provided by those wanting access to the information.
